

Year 1 Homework

Reading.

Focus on the reading books that you have chosen and create a story map sequencing the events of the story.

Maths.

All week we have been learning how to subtract.

If your answer is 16 what will be your subtraction equation? Find as many as you can...

Now, what will your subtraction equations be if your answer was 23?

Writing.

We have talked a lot about Anansi the spider, a character from an African folk tale. This week, can you create your own Anansi story? Remember, all Anansi folk tales have a lesson to learn. What lesson will your story tell?

Topic project.

Last week was black history week. We learnt a lot about African mud cloths and created our own designs with a meaning. Can you become a fashion designer and create, draw or collage your very own outfit for a special celebration?

Spellings – see spelling books.

Practice the combinations of spellings from the sound 'ir', common spelling mistakes and our topic words.

1. twirl
2. shirt
3. bird
4. skirt
5. third
6. history
7. cloth
8. Africa
9. creations
10. animals

Handwriting – Practice the cursive handwriting and the size of your letters.

All to be due in:

15th October 2018
