

Year 1 Homework

Reading.

Focus on the reading books that have been set for you and give a detailed comment of what you have read.

Maths.

In class, we have been finding our number bonds to 10. It is time to further your learning and can find all your number bonds to 20. How do you know you have found them all?

Writing.

Last week you chose a favourite toy/game and created a small model of it. Now, you can write a set of instructions on how to use it. Remember to use those bossy verbs. E.g. Push, hold, spin, turn etc...

Topic project.

You have compared toys from the past and toys from the present. Let's think about toys of the future. Can you design a futuristic toy? What would it look like? What special futuristic things could it do? What materials would it be made from? Create a detailed diagram of your invention, with all its parts labelled. Remember to give it a name!

Spellings – see spelling books.

Practice the combinations of spellings from the sound 'nk', common spelling mistakes and our topic words.

1. Hunk
2. Ink
3. Think
4. Honk
5. Sunk
6. Thank
7. Out
8. Past
9. Adult
10. toddler

Handwriting – Practice the cursive handwriting and the size of your letters.

All to be due in:

8th October 2018
