

## Year 5 Home learning – due in Monday 8<sup>th</sup> October

### **Reading.**

Daily reading (discussing the book with an adult wherever possible). Pupils should be reading for 25 minutes each day of the school week, recording comments in their reading record every day.

### **Writing.**

Next week we are going on a trip to the William Morris Gallery. William Morris was a very significant character in the Victorian Era. Write an information page (at least 2 paragraphs) on who he is and why he was so important in Victorian times.

### **Maths.**

#### **Multiples, factors and primes questions**

Complete the multiples, factors and primes sheet attached.

#### **Times tables**

Practice the 6, 12 and 9 times tables. Bring in a copy of your practice.

### **Topic.**

#### **Recycling project**

Create a leaflet on the importance of recycling. Use an A4 piece of paper, folded to include all the relevant aspects of why recycling is important, as well as headings, subheadings, picture and caption and a fun facts section.

### **Spellings – see spelling books.**

#### **Write a sentence for each one in your homework book,**

privilege  
profession  
programme  
explanation  
familiar  
foreign  
forty  
frequently

#### **Handwriting.**

Practice handwriting. Write out a paragraph or page using continuous cursive handwriting.
