Summer Term 1 Week 6

At last, we reach the middle of our Summer term and are beginning to see lighter evenings and warmer weather (despite some rain!). I have thoroughly enjoyed visiting our classrooms this week and have seen a range of fantastic learning from minibests in Reception to Japanese tales in Y6. I am extremely proud of all of our children who have worked tirelessly this term.

This week, as part of our theme of Courageous advocacy we have been looking at belonging, focussed around the bible verse: 'there will be more rejoicing in heaven over one sinner who repents than over ninety-nine righteous persons who do not need to repent.' (Luke 15:7). We also looked at the life of Martin Luther King Jr and how he always stood up for his faith. We encourage you to think about ways you can stand up for what you believe in.

I would like to make reference to the letter which was sent on Wednesday from our Director of Public Health, Matthew Cole. This letter encourages all pupils who are attending school to get a test before they come back to school after half term. These tests will help to reduce the risk of people without symptoms unknowingly spreading the virus to others in the school and in their community. Families living in the same household are also strongly encouraged to be tested. The letter from Matthew Cole provides a link for you to book a Covid 19 test for your child and family.

I look forward to welcoming you all after the May half term on Monday 7th June 2021 at normal school time.

God bless and stay safe,

Miss Newman
Head of School
