

ST MARGARET'S C OF E PRIMARY SCHOOL NEWSLETTER

Dear All,

In my last newsletter, I praised pupils, parents and school staff on a fantastic return to school and shared how wonderful it was to have parents back on our site. This morning, we held our first 'Celebration Assembly' where parents were able to join us for song, prayer and celebration which is something I have greatly missed whilst Covid restrictions were in place.

This week, we have focussed on learning and particularly learning outcomes in books.

Our aim at St. Margaret's is for every pupil to achieve high and to make rapid progress. I have visited many classes throughout the last fortnight and spoken to all pupils about high expectations and taking pride in their work. Every child should feel proud of their identity, their school, their class and their learning.

This week for Collective worship, we continued our theme: Characteristics of God. The characteristic that we explored this week was 'Caring', focussed around the bible verse:

'Stand up for those who cannot stand up for themselves.' (Proverbs 31)

The pupils have been looking at how God teaches us to care for our friends, family and the wider community. We've encouraged the children to consider: how can you show a caring nature to those around you today?

Lastly, I would like to inform you about homework. All homework will be set on a Thursday and will need to be returned by Tuesday. Reading books have also been sent home this week with reading books levels which are specific to your child. You can make a real positive difference to your child's learning by reading with them every day and letting us know in the reading record what is being read and how the reading is going. Reading at home is the single most important difference you can make in terms of learning outcomes.

I would like to conclude with a quote which includes our value, kindness:

'Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience.'
Colossians 3:12

I wish you all a peaceful and blessed weekend and I am looking forward to welcoming back our pupils on Monday morning.

Yours faithfully,

Miss Sophie Newman
