

ST MARGARET'S C OF E PRIMARY SCHOOL NEWSLETTER

Attendance for the week ending 03/11/21: 92.46%

Dear All,

Another week of packed learning at St Margaret's! As I write, I can hear Year 1 learning about what variables affect the growth of plants in Science and why Miss Rayner's plant hadn't grown! I can see Year 2 engrossed in their Astronomy Workshop where an astronaut is answering all of their questions about space. In addition to this, the Year 3 and 5 children have been working hard in their drumming sessions and lots of staff have been heard commenting on how wonderful it has been to watch their confidence grow when they are performing.

In the coming days, you will receive further information about the EYFS and Y1 Nativity, our Carols by Candlelight concert and your children will be able to let you know which Courageous Advocacy community project they are taking part in before the Christmas break.

As I am sure you are aware, Covid 19 cases are, again, beginning to rise. I would like to politely remind you to wear your face coverings during collection and drop off times and only visit the school office if absolutely necessary. All queries can be answered by ringing the school office on 020 8954 4003 where an office member of staff will be happy to assist you.

I would like to conclude with a quote around keeping each other safe, 'The name of the Lord is a strong tower; The righteous runs into it and is safe.' Proverbs 18:10

I look forward to welcoming you all back to school on Monday morning.

Yours faithfully,

Miss Sophie Newman
Head of School
