

ST MARGARET'S C OF E PRIMARY SCHOOL NEWSLETTER

Attendance for the week ending 04/02/2022: 95.36%

Dear All,

I wish to start the newsletter this week by sharing some wonderful news as last week we had an external advisor visit, who described St Margaret's as a school with many outstanding elements. As I have mentioned many times, our children are an absolute credit to us all and their behaviour for learning was described as outstanding as well as our learning environments.

Year 2 and Year 6 SATS

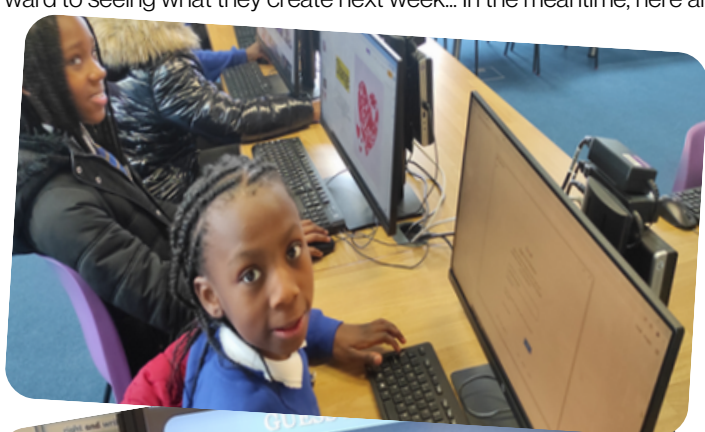

Every year, children in Year 2 and in Year 6 sit the Statutory end of key stage assessments. Throughout their time at our school, children learn the key components they need in order for them to be as successful as possible in these assessments. Next week, our Phase Leaders and myself will be offering two live workshops via Google Meet to inform parents and carers about the different assessments that take place, what is being assessed in each test and what school and home can do to further ensure children are as best prepared as can be.

This week, for Collective worship, the pupils have been continuing their theme of Dignity and Respect by learning about respecting those with authority. We took a close look at our Bible verse of the week: So if anyone is against the government, he is really against what God has commanded (Romans 13:2). The pupils have been looking at the government and why we have leaders in our country. Pupils have also been examining the reasons why we should respect those in charge, even if sometimes they make decisions that we do not agree with.

YT Public Service - Worship Council

This week, our Worship council have created a brilliant assembly based on the theme of Change. Inspired by our Young Transformers programme, the Worship Council (WC) wanted to remind all children that they can be a positive change in the world around them Ayo, a member of the Worship Council stated "I wanted everyone to take away the fact that they can become a better person if they have the right mind-set." Se'najah, who is another member of the WC commented, "When delivering this assembly, I wanted to tell everyone that change isn't something that happens overnight. It's something that takes time. This links to Young Transformers because change is when you try something new, when you can transform yourself you can make a positive difference to those around you!"

Thank you to the Worship council for their excellent contribution and commitment to promoting the Christian faith in their weekly assemblies. We look forward to seeing what they create next week... In the meantime, here are some pictures of them in action!

EYFS BLURB

In Reception this week, we celebrated Chinese New Year. We looked at the similarities and differences between New Year celebrations in January and the Chinese Lunar Calendar. We created decorations and made Chinese Dragon puppets. In Big Write, we wrote red envelope good luck messages for our family and friends. Reception would like to say, Happy New Year to all those celebrating Chinese New Year.
