

ST MARGARET'S

PRIMARY SCHOOL

Autumn 1: Week 3

*Proverbs 22:6 'Train up a child in the way he should go:
and when he is old, he will not depart from it.'*

Dear Parents, Carers and School Community,

It's been yet another wonderful week at St. Margaret's! Our children have settled into their new classes and routines beautifully. It's been delightful to see their enthusiasm and eagerness as they embark on this new term. Thank you for your support in helping them transition smoothly. Please remember to support your child by reading with them regularly and ensuring they bring their reading record to school each day. Homework and spellings are due on **Wednesdays**, and new homework and spellings will be given out on **Thursdays**. This routine helps reinforce their learning and fosters good study habits. Thank you for encouraging your children to complete their home learning.

Year 3's Adventure at Legoland:

This week, Year 3 had an incredible time exploring Legoland! The children enjoyed a variety of rides and attractions and it was a fantastic opportunity for them to engage with interactive learning in a fun environment. We hope they came home full of exciting stories and creative ideas!

Year 2's Day at Old Macdonald's Farm:

Year 2 had a wonderful day at Old Macdonald's Farm! The children had a hands-on experience with farm animals, learned about rural life and enjoyed outdoor activities. It was a memorable trip that connected them with nature and provided valuable learning opportunities.

Club Allocations:

Club allocations for this term have now been sent to parents. If you haven't received information about your child's club placement, please contact the school office. We are excited for the term ahead and the many enriching activities that will be available! If your child was not successful this term, please note that they are on a waiting list and priority will be given in future terms.

Boosters Starting Next Week:

Boosters will commence next week. If your child is scheduled to attend a booster session, you will be contacted directly by the school or your child's class teacher. Please ensure your child only attends their designated booster session, as each group focuses on specific areas of learning.

ATTENDANCE

Attending school is important to ensure children are able to make the most of their education and reach their full potential. If you raise a child's attendance, you raise their academic chances. As a parent/carer, you are legally responsible for ensuring that your child receives a suitable education.

What families can do:

- Be firm – send your child to school every day, all day, unless they are sick
- Develop good sleep and morning routines
- Schedule appointments and extra-curricular activities outside of school
- Avoid taking holidays during term time
- Seek help early before your concerns become serious

Going to school more often will make a difference; attendance habits will follow your child into work and life. Each day missed:

- puts your child behind and makes it harder for them to catch up
- can lead to lower achievement in reading, writing and numeracy
- can lead to gaps in learning and connections to friends
