

St Margaret's PE and School Sport Funding 2024 – 2025

St. Margaret's biblical vision:

'Train up a child in the way he should go: and when he is old, he shall not depart from it.' Proverbs 22:6

The government is determined to secure a significant and lasting legacy from the very successful 2012 Olympic and Paralympic Games that were held in London. In order to achieve this and improve the provision of PE and sport in primary schools, additional funding of £150 million per annum has been made available for the academic years up until 2025.

PE and Sport Premium funding has been provided jointly by the Department for Education, the Department for Health and Culture and the Department for Media and Sport. It has been allocated to primary schools Headteachers and is ring-fenced to be spent on the provision of PE and sport in schools.

The Government believes that Headteachers and school leaders should decide how to use the funding for PE and Sports in school. They are held accountable for the decisions they make through:

- The performance outcomes of all pupils compared with their peers
- The Ofsted inspection framework, under which inspectors focus on the attainment of pupil groups, in particular in those areas where specific funding has been provided
- The reports that schools are required to publish online for Parents

Purpose of Funding

At St Margaret's Primary School, we believe that sport plays a crucial role contributing to the health and mental

well-being of our children. We also believe that sporting excellence and participation go hand in hand with academic standards. We have used the Sport Funding to strengthen and improve our provision in the following ways:

- To employ a Sports Coach to teach PE and devise clubs that progressively develop our children
- To support and engage the least active children through new/additional sports and health clubs.
- To attend sport competitions and increase pupils' participation in school games.
- To buy quality assured professional development modules /materials for PE and sport.
- To provide places for pupils in after school and lunchtime sports clubs.
- To provide quality sportswear for all the pupils participating in competitive sports.
- To offer opportunities for pupils to try a range of different sports helping to promote a lifelong enjoyment of sport.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Every child participates in a minimum of 2 hours of PE per week, encompassing both indoor and outdoor activities. • Utilisation of sports coaches effectively in both PE lessons and extracurricular activities. • Ongoing specialist PE CPD for staff, supported by our PE specialist, ensuring all PE lessons achieve a rating from good to outstanding. • Attainment of the Gold Games Mark, recognizing excellence in school sport provision. • Diverse range of clubs available to students before, during lunchtimes, and after school. 	<ul style="list-style-type: none"> • Create opportunities within the school and across the Trust for students to engage in a variety of competitive sports. • Ensure students participate in borough sports competitions, offering them the chance to represent the school. • Continuously enhance students' confidence and proficiency in swimming, focusing on increasing their ability to perform multiple strokes. • Integrate our vision into the PE curriculum to emphasise its importance in daily practice and promote children's understanding of the significance of maintaining health.
<p>Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.</p>	
<ul style="list-style-type: none"> • Successful execution of our 'walk a mile' challenge, tied to our school's 'We Cannot Walk Alone' charity refugee project, enhancing fitness levels and fundraising efforts. • Active participation in Bike Club and Scoot Fit initiatives, leading to more students biking and scooting to school. 	<ul style="list-style-type: none"> • Increase participation of both boys and girls in borough cricket competitions. • Foster improved student attitudes towards PE and monitor its impact on behaviour and academic performance outcomes.
